From yarn to pencil

Annotated drawing book

While most come from the blog *Stiff Collar*, others are unpublished.

All the drawings were made on a computer.

This book has been designed in such a way
that you can cut the pages to frame them.

The typeface is Bodoni.

Double-breasted summer dinner jacket

The summer dinner jacket, or tuxedo for our American friends, is only used in the tropics and perhaps on the Riviera. Only the jacket becomes white. Trousers, cummerbund and bowtie remain black.

At AlterPublishing LLC, a fair alternative to traditional publishing, we trust our Internet users and our readers. We therefore expect from them that publications, in accordance with legislation, be used strictly for their personal use only.

We have purposely excluded any protection designed to prevent the transmission of our digital books to other readers than our direct purchasers; we prefer to use this heavy and recurring budget for more useful purposes.

The books and digital files ordered, their contents, as well as all the elements reproduced on the site of downloading digital works under this service (in particular texts, comments, illustrations and iconographic documents) are protected by the Code of Property Intellectual Property Rights in France and by foreign laws governing copyright and related rights, trademark law, design law, and patent law.

For this reason, the intellectual works, which are thus presented and proposed for downloading and reading are only intended for strictly personal, private and free use. Any reproduction, adaptation or representation in any form or by any means whatsoever, and in particular resale, exchange, hire or transfer to a third party, is absolutely forbidden.

Any use outside this framework could be considered an act of infringement, which exposes you to legal, civil or criminal prosecution within the framework of legislative and regulatory provisions in place.
